# Newsletter

Our newsletter is going digital! Get your quarterly newsletter quicker and be up to date with everything going on at your credit union. It will arrive right in your mailbox, or you can find it on our website. If you ever want a printed copy, you can pick one up at one of our branches. Digital saves time, and is great for the environment.

## a short and sweet note from joe

Keep in mind that we are running a great auto loan promotion that applies to cars, boats, motorcycles, RV's and ATV's. It's a great deal! So, if you have a loan elsewhere (why would you), refinance it here and save some money!! Our members save a lot of money on average. Also, credit cards are here!! We are offering a great balance transfer promo, so transfer your balance, get a better rate, and get some cash in your pocket!

Great News! Construction for our new Kingston office located at 445 Wyoming Ave will begin soon. We have delayed the start due to the pandemic and to rising costs. We are anticipating a late summer/early fall grand opening, if the weather and supply market works with us. Please check our website and facebook pages for updates on dates and when we will be opening the Kingston office.

Thanks for your continued membership and support as we grow but remain your personal service credit union that we have always been! **Remember to follow us on facebook for all up to date information about offices and promotions.**

Due to rising costs, there will be a fee of \$1/statement for paper statements effective January 2022. Estatements are completely free, available quicker, and are printable from our HomeBanking. If you're not receiving e-statements and would like to sign up, please call us at 570.826.8244 or send us an email at support@citymark.org. We apologize for the inconvenience and we appreciate your understanding.

**Members under 18 years old and members over 60 years old will be exempt from this fee.**
